

Dress Code for Middle School Students

Dress and Grooming

Students should wear Number One dress uniform on Tuesdays, special occasions, or when representing the school. Students who cycle to school may change into the uniform upon arriving; otherwise, students are expected to travel to school and leave school in their school uniform. Appropriate dress is expected of all students, whether during the school day or staying on campus after hours. It is not enough to simply wear the appropriate dress, grooming is equally important.

Shirts must always be kept tucked in, except for tailored shirts with no tails. Hair must be of natural colour and always presented in a clean-cut manner. Students must be clean shaven, and makeup must be tastefully applied. Earrings must be simple (small stud or hoop is appropriate). Nail polish, if worn, must be clear.

Outdoor Jackets

If required outside and while moving between buildings, a solid-coloured navy blue or black jacket or SMUS top may be worn over the sweater or blazer. Outdoor jackets are to be removed once inside buildings.

The school cannot be held responsible for lost items, and it recommends that all uniform items be labeled. See [page 7](#) in this handbook for more information.

The table below refers to “crested” items, which means the SMUS logo or name.
